Real-World Scenarios

A conceptual image illustrating risk management. A human hand is shown in the foreground, pointing towards a digital interface. The interface features a central glowing blue square with the text 'RISK MANAGEMENT' in white. Surrounding this central element are various icons connected by lines, representing different aspects of risk: a bar chart, a globe, a network diagram, a gear, a lightbulb, a document, and a flowchart. The background is a dark blue gradient with a faint world map, suggesting a global or interconnected context.
