CONNECTING RISKS THAT MATTER

2025 **KOnnect**

## How mature is your organization's business resilience function?

REACTIVE: we address disruptions as they occur with minimal planning or coordination.	0%
BASIC: Basic plans exist but lack consistent application and cross-departmental integration.	0%
MID: Formal resilience structure with defined roles and some coordinated risk processes.	0%
GOOD: Integrated teams conduct exercises, monitor risks, and embed resilience in decisions.	0%
MATURE: Strategic resilience: cross-functional, leadership-driven, aligne	0%
