2026 KOnnect

Where have you seen the gap between stated support and real funding, attention, or resources show up most clearly?

2026 Konnect

2

How do you turn risk information into a clear executive decision?

2026 KOnnect

What finally turns “risk is important” into genuine executive support?

2026 KOnnect

If executives fully bought into two or three things about risk, what would they be?

2026 KONnect

What is the one thing you would tell a risk manager facing skeptical executives?
