What's New and What's Next with ARM

Tom Kerin

VP, Product Management Riskonnect

2026 Konnect

Forward Looking Statement

The specifications, functionality and schedules described in our presentation reflect Riskonnect's current estimates only. There may be changes to the same without notice. These materials are for informational purposes only and do not constitute an obligation or commitment on the part of Riskonnect. In addition, in connection with your consideration of Riskonnect, its products and services, you may have received from Riskonnect or its affiliates certain financial information containing, among other things, projections and other forecasts, including, without limitation, projected financial statements, cash flow items, cost estimates, certain business plan information and other data related to Riskonnect. You acknowledge that (a) any such documents are not and shall not be deemed to include representations or warranties of Riskonnect and are for informational purposes only, (b) there are uncertainties inherent in attempting to make such projections, forecasts and plans and, accordingly, is not relying on them, (c) you are familiar with such uncertainties and is taking full responsibility for making its own evaluation of the adequacy and accuracy of all projections, forecasts and plans so furnished to it and (d) you shall have no claim against anyone with respect to any of the foregoing.

All information provided to you in connection with your consideration of Riskonnect, its products and services, is Riskonnect's confidential and proprietary information, all rights in and to which are expressly reserved by Riskonnect.

What's New | Key Enhancements & Improvements

01 ARM/PPM Integration

02 SRA to Activity Mapping

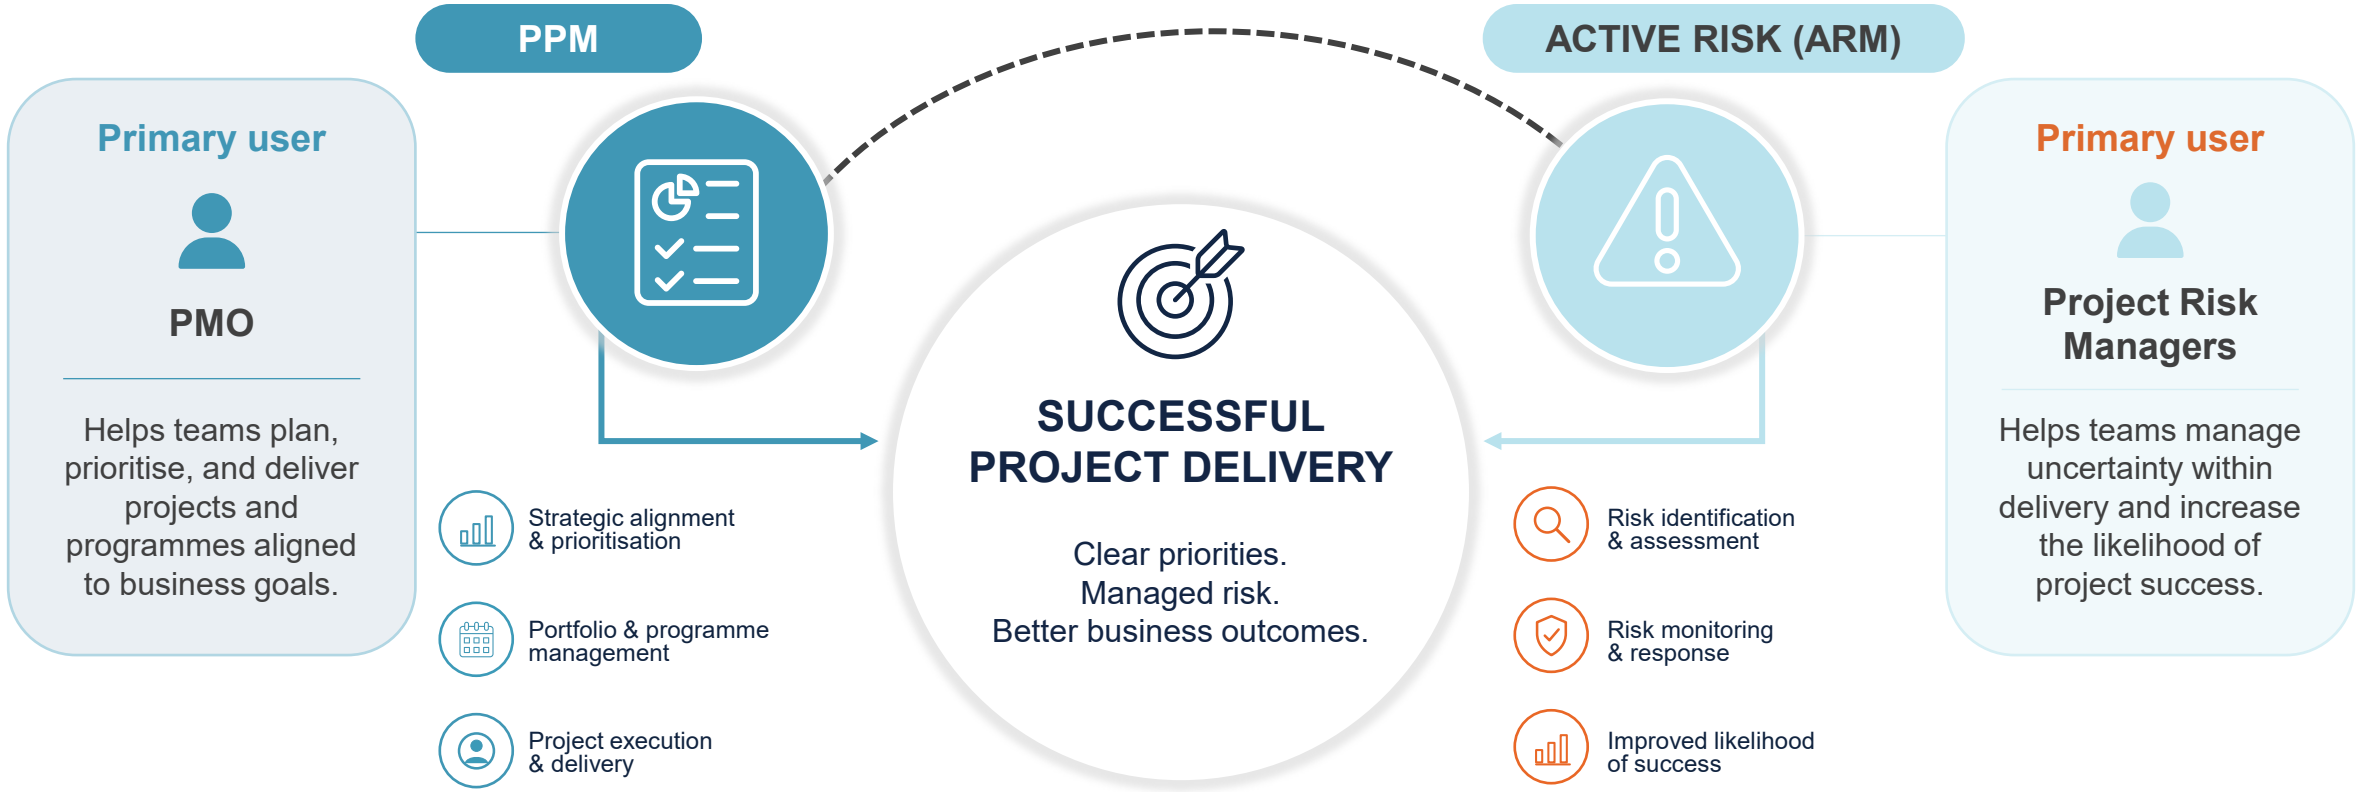

03 Modernization of Risk and Incident

04 Acessibility

2026 KOnnect

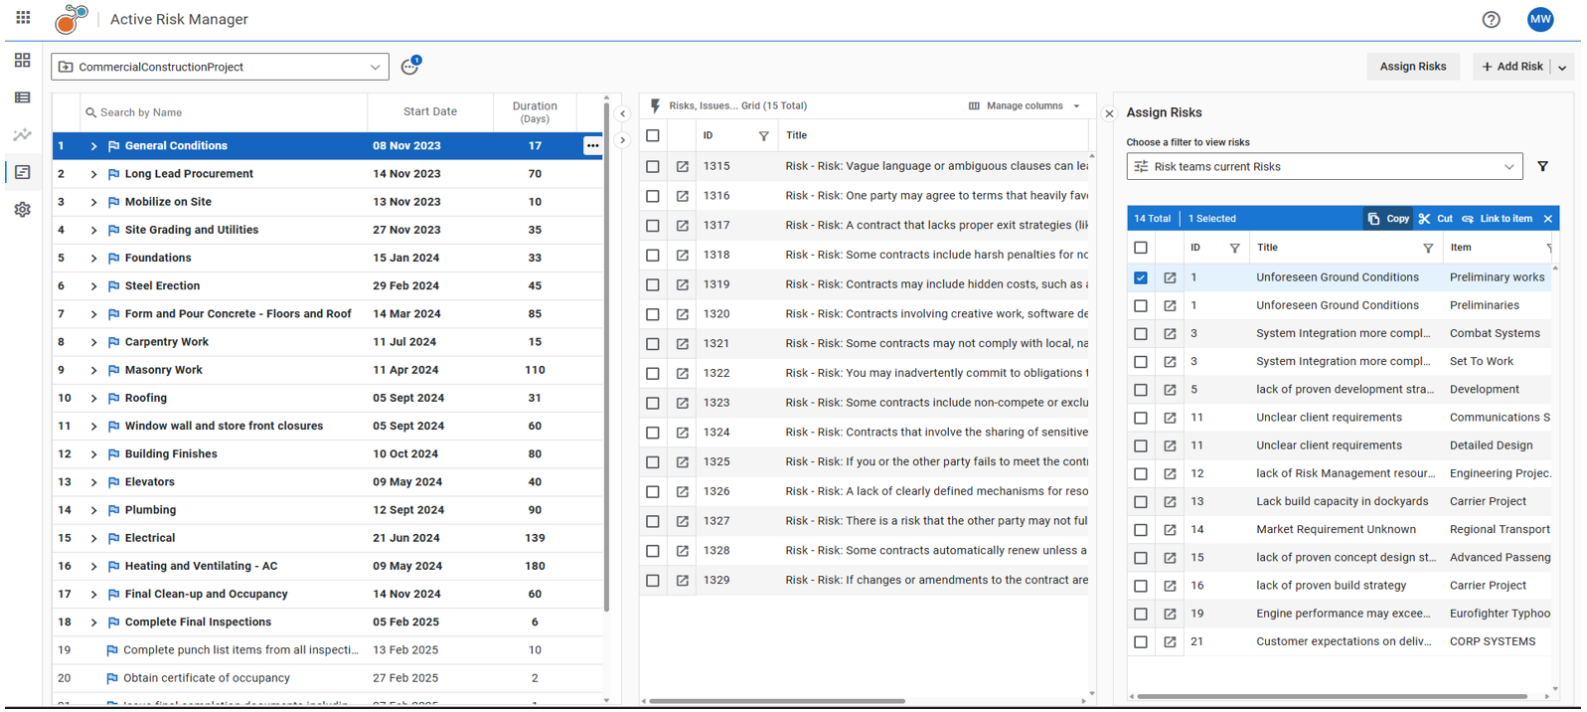

What's New
PPM and Active Risk

Two connected product lines — each serving a distinct product user, working toward one successful outcome

PPM drives delivery. Active Risk protects delivery. | Together, we help organisations deliver with confidence.

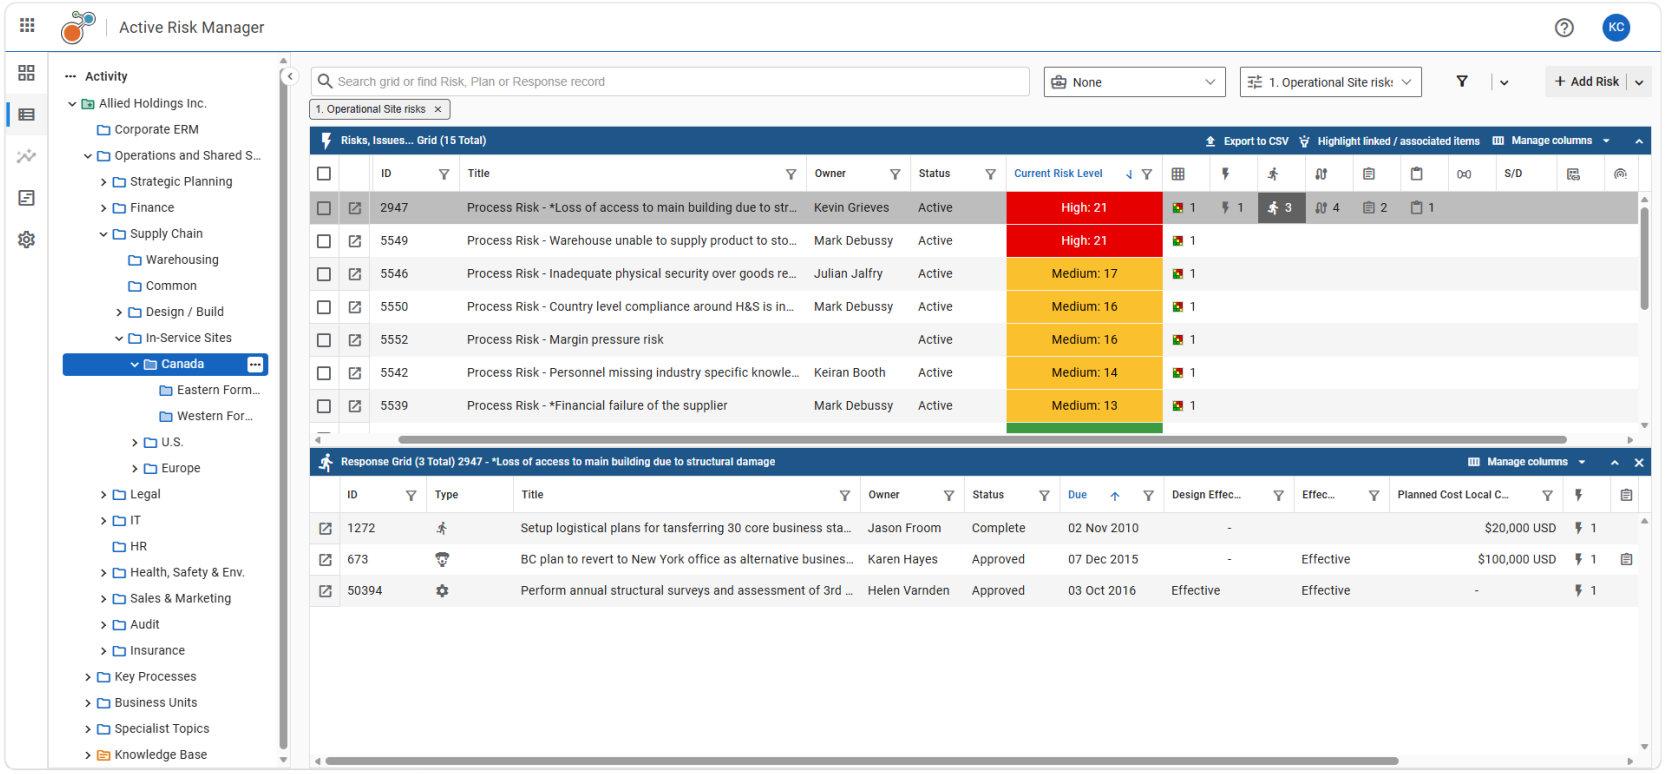

What's New
SRA to Activity Mapping

Seamlessly align risks with project activities to analyze their impact and gain a risk-adjusted view of the schedule

2026 KOnnect

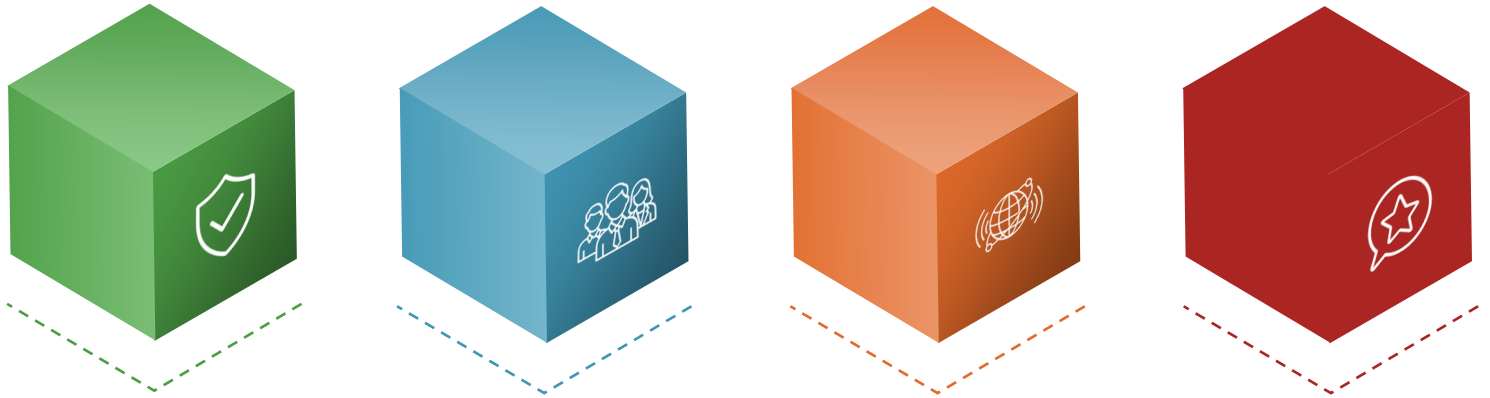

What's New
Modernization of Risk and Incident

New look. Improved User Interface. Same functionality.

2026 KOnnect

What's New
Accessibility

Compliance | Employees | Engagement | Improved UX

ACCESSIBILITY

Ensuring our customers compliance under the increasing rigor of accessibility.

2026 Konnect

By the Numbers . . .

43+
new ideas received

14
new features delivered

43
% of roadmap based on customer ideas

11
# of releases

16+
performance improvements

33
% of non-maintenance development

2026 KOnnect

What's Next | Key Enhancements & Improvements
