# INTEGRATE PATIENT SAFETY AND EXPERIENCE, CLAIMS, COMPLIANCE, AND RISK

## CONNECT THE DOTS TO TRANSFORM RISK INTO A STRATEGIC ADVANTAGE.

Healthcare systems today are under tremendous pressure to get it right every single time. You have to be able to immediately grasp all of your current risks, anticipate what's around the corner, and understand what it means to the organization. And there's no room for error.

### GAIN A NEW PERSPECTIVE ON RISK – AND OPPORTUNITY

Riskonnect's Enterprise Risk Management solution for healthcare organizations helps you anticipate, assess, mitigate, and monitor every form of risk from every corner of the organization. The software brings together all risk-related data into one place for a complete view of your risks, how they relate, and the cumulative impact on the organization. You can:

- Integrate traditional, insurable risk with strategic and operational risk.
- Understand how risks are interrelated.
- Act quickly, decisively – and accurately – to mitigate, avoid, or take advantage of each risk.

Elevates your view of risk across the organization.

Illustrates all of your risks – and how they interrelate – in a highly visual way.

Provides one source of truth for all threats.
