

Riskconnect's RMIS gives you the data, analytics, and insight to turn risk into a strategic advantage.

Focus your time where you can make a difference. Spend less time chasing down data and more time analyzing what it means.

Communicate effortlessly from the frontlines to the C-suite. Break down silos and seamlessly share always up-to-date risk data across the organization.

Make confident decisions with Intelligent Risk. Generate actionable insights using Riskconnect's AI-powered risk decision engine.

“Riskconnect has allowed us to embark on actions we’ve never had clarity on before. If no action is coming out of the data, what’s the point.”

Trey Braden, Director, Risk Management, Randstad

Product Highlights

ASSET AND EXPOSURE MANAGEMENT

Gain a comprehensive view of your asset and exposure portfolio to avoid overlaps or gaps in coverage.

COST ALLOCATIONS

Accurately allocate premiums and fees based on your actual experience and methodology.

INSURANCE MANAGEMENT

Track and manage all of your insurance policies and features, including premiums, layers, limits, deductibles, carriers, and more.

RISK ANALYTICS & INSIGHTS

Easily customize your reporting and dashboards to tell your story and inform decisions.

CERTIFICATE MANAGEMENT

Streamline tracking and management of incoming COIs to reduce exposure from contractors, tenants, suppliers, and other business partners.

ENVIRONMENT, HEALTH & SAFETY

Identify risks, ensure compliance, and evaluate the effectiveness of your EHS program.

INTELLIGENT RISK

Augment your team's expertise with predictive insights, summaries of complex documentation, and automated workflows using Riskconnect's AI-powered risk decision engine.

CLAIMS MANAGEMENT

Take charge of the entire claims process, from first notice to adjudication, payment, and subrogation.

INCIDENT MANAGEMENT

Capture data right at the source to quickly and accurately get information to those who can investigate, evaluate, and act.

RENEWAL VALUES COLLECTION

Streamline insurance policy renewal by automatically collecting, consolidating, and analyzing risk and exposure data.

Reduce Costs AND Increase Profitability

Feeling the pressure to correctly anticipate what's ahead – in less time with fewer resources? Riskconnect's RMIS seamlessly integrates people, systems, and data to help you make more informed decisions about risk. Your costs go down and profitability goes up.

- Consolidate real-time risk data from multiple internal and external sources to identify trends, emerging risks, and opportunities.
- Understand the relationships between critical risks and the impact on the organization.
- Seamlessly integrate data from carriers, TPAs, third-party vendors, and internal departments into one source of truth.
- Gain strategic insights to optimize your insurance program.
- Identify cost-savings opportunities that previously may have gone unnoticed.

Find Instant Relief from Daily Pain Points

If you're stuck tracking down information with endless back-and-forth emails, when are you supposed to figure out what it all means? Riskconnect's RMIS streamlines and automates routine processes so you can say goodbye to boring repetitive tasks and hello to delivering human-worthy insights from data you trust.

- Save time and money by streamlining and automating processes.
- Capture data consistently and thoroughly with standard templates, intuitive forms, and auto-filled fields.
- Minimize human error by guiding users through the data-collection process.
- Eliminate duplicate data entry by automatically uploading and extracting information from ACORD forms.
- Send alerts, reminders, and progress reports automatically.
- Communicate seamlessly using SMS text, WhatsApp, and other channels.

Make Smarter Decisions Faster

Can you deliver the level of risk insight demanded by the C-suite? Riskconnect's RMIS gives you unprecedented insight into your risks and their relationships so you can quickly and confidently decide what to do.

- Improve communication about risks across departments and with the C-suite.
- Create easy-to-interpret reports that communicate a clear picture of your risks.
- Instantly summarize complex, lengthy claims documents.
- Generate actionable insights using embedded AI-powered predictive analytics models.
