

Decision-ready risk intelligence at your fingertips

Understand the story behind the data. Visualize complex data to quickly answer critical business questions.

Build meaningful reports for every audience. Board members, executives, and risk professionals can easily get the information they want to see.

Customize dashboards. Keep your finger on the pulse of your key metrics and processes.

“*With Riskconnect, we have one source of truth. We are able to provide reports to leadership in turnaround times that were previously unheard of. We can get it to them within hours, as opposed to days.*”

Rey Kurpiers, Senior Business Risk Coordinator
Ameriprise Financial, Inc.

DELIVER DECISION-READY INSIGHTS

Build reports easily, so you can spend your time turning data into action.

DO IT ALL YOURSELF – OR NOT

Take control of analytics – no specialized data-analyst skills required.

MANAGE RISK STRATEGICALLY

Connect and communicate risk information to make smarter, faster business decisions.

Deliver Decision-Ready Insights

- Surface relevant risk information from wherever it's hiding in your organization.
- Connect risk information with other relevant internal and external data into a single source of truth to collaborate around.
- Create reports – standard or customized – using a range of visual styles and formats to suit every audience.
- Present information using traditional reporting styles when detail is required.

Do It All Yourself – Or Not

- Speed response time with Riskconnect's many out-of-the-box reports.
- Build reports around your needs with a drag-and-drop interface.
- Design your own dashboard to give you instant access to the answers you need.
- Share with others in your organization and collaborate online over important questions.
- Get expert help when needed.

Manage Risk Strategically

- Forecast possible outcomes with predictive analytics and scenario modeling tools
- Seamlessly integrate any data required from other technology solutions.
- Use flexible design tools to convert complex data into meaningful, highly interactive visuals to engage all stakeholders in the decision-making process.
