**Riskonnect's Value Pathway advances your risk, claims, and resilience program and improves software productivity to capture the full value of your investment.**

**Access proven knowledge.** Partner with a professional services team that brings extensive experience in RMIS, ERM, audit, claims, compliance, and resilience.

**Unlock lasting value.** Proactively identify risks, opportunities, and performance drivers.

**Follow a guided path to maturity.** Evaluate your program through frameworks and assessments that feed actionable improvement plans.

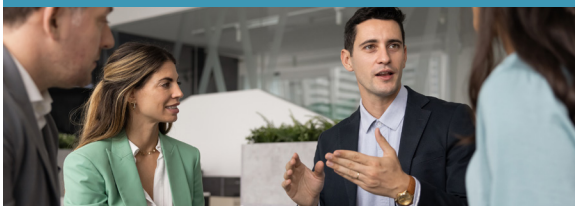

## Service Highlights

### VALUE PATHWAY DIAGNOSTIC

Evaluate your program's maturity with a comprehensive best practice assessment built on key value indicators.

### ROADMAP AND ENGAGEMENT PLAN

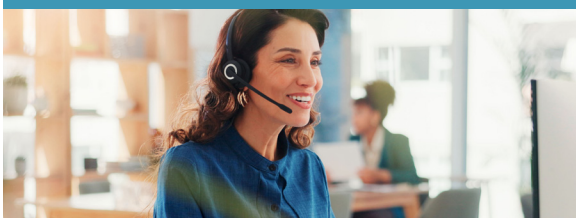

Implement tailored recommendations while working side by side with the Riskonnect team.

### QUARTERLY CHECK-INS

Assess your progress against the roadmap and receive feedback to maintain momentum and stay on track.

### ADDITIONAL PROGRAM SUPPORT

Access your service consultant quarterly for strategy and planning support, guidance on tools and templates, and ongoing program advancement in alignment with your key value indicators.

# VALUE PATHWAY

## Maximize Your Software Performance

Are you getting the most out of your risk, claims, and resilience tools? Riskonnect's Value Pathway service helps you discover the underutilized features of your software and provides a roadmap for optimization.

- Map your software against key value indicators to identify improvement opportunities.
- Connect system capabilities with your program's strategic goals.
- Automate routine tasks and reduce the burden on your team.

## Translate Your Efforts into Measurable Results

Can you explain the value of your program to leadership? Riskonnect's Value Pathway service helps you demonstrate a measurable return on investment through program optimization.

- Set annual priorities and expectations with leadership using the roadmap and recommendations.
- Establish an engagement plan for a clear path forward.
- Partner with Riskonnect experts to implement enhancements and track progress.

## Get Hands-On Guidance

Are you struggling to take your program to the next level? Riskonnect's Value Pathway service is delivered by experts in risk and resilience who know your challenges firsthand.

- Apply knowledge and tips derived from years of analyzing client programs and processes.
- Schedule recurring reviews to identify new improvement opportunities.
- Use collaborative working sessions to align technology, processes, and people.
